

REMARKS

This application is a divisional application of Serial No. 09/735,936 which withdrew original claims 7-20 as being directed to the non-elected invention. The present amendment cancels all of the original claims and adds new claims 21-35. These claims correspond to the subject matter of original claims 7-18. Accordingly, the claims are fully supported by the specification and the original claims.

Prompt and favorable action on the merits is requested.

Respectfully submitted,

Garrett V. Davis
